

## Revisit and Review

Can you read Doc's notes from her surgery today?  
Then, can you answer the questions that your teacher asks you?

### Doc's Notes /

I saw four aliens today.

Pap was the most poorly. She  
had turned green!

Mrs Boe had shut her thumb in  
the door! I gave her a bandage.

Bosh hurt his arm and his  
wrist. I told him that he needed  
to wear a sling.

Nan had a severe rash on her  
chin. I gave her a new cream to  
try.

Waiting room

# Teach

Read the words in each column.

All of the words contain the /or/ phoneme, but spelt in different ways.

Can you read the words aloud?

| 'ore' spelling |        | 'oar' spelling |
|----------------|--------|----------------|
| adore          | chore  | oar            |
| before         | galore | boar           |
| core           | ignore | board          |
| explore        | snore  | hoard          |
| bore           | more   | hoarse         |
| bored          | score  | roar           |
| spore          | sore   | soar           |
| store          | tore   | uproar         |

## Pip's Challenge

Pip says: "If you hear the phoneme /or/ at the end of a word, it will be only be spelt 'ore' or 'oar'."

*How do you know that Pip is incorrect?*

# Practise

Can you read the sentences below?

Underline any words where the /or/ sound is spelt in different ways.

Then, can you answer the questions your teacher asks you?

Dad was doing some chores in the house.

Nan was asleep on the sofa. She had a very loud snore!

Min and Tisp played a board game together.

Toab likes to explore in his rowing boat. It has wooden oars.

Nan went to see Doc. She had a sore throat and sounded hoarse.
